

## Create an Add User Page

- Display the users in a table with check boxes to select the ones to import to the platform
- Import List (top of the list should have a toggle for check all/deselect all)

\*Name

\*Job title

\*Department

\*Location/branch

\*Check box

- Display success pop-up and redirects to dashboard, displaying an alert notification that 10 news users just added.

Usage of Just 3 colours
